GX Industrial Charger AC Accessories

NOCO

GX Accessories™

Customize GX for your region.

Modify and connect around the world with various plug types for regional compatibility.

Power your GX Industrial Charger with **AC Cord attachment options** compatible in regions including North America, Europe, the United Kingdom, and Australia. The cord securely locks into the side of the charger, and provides a seamless connection to deliver power. It contains high-quality components and a custom molded strain relief to withstand heavy-use and industrial applications. The cord can be permanently mounted as well, providing a **rugged and watertight connection**.

UltraSafe™

All NOCO products are tested with safety as the top priority with non-toxic materials and quality manufacturing.

Heavy Duty Design

From custom engineered strain reliefs to heavy gauge wire, NOCO accessories are dirt, water, UV, and impact resistant.

8^{AWG}

Made from durable, high-performance 8AWG insulated wire that maintains its flexibility in cold weather environments.

Universal Compatibility

Interchangeable accessories for every GX Industrial Battery Charger: GX2440, GX3626, and GX4820.
